- Educational Background:**
- BS and MS in Civil Engineering (NC State University)
- Work Background:**
- 22 years of experience in transportation planning and traffic engineering in North Carolina
 - Currently serve as Vice President of Transportation, responsible for business development and operations company-wide for a wide variety of public and private clients
- Career Volunteer Background:**
- Chair of NCSU CCEE Industry Advisory Board (current)
 - Chair of Johnston County Planning Board (current)
 - Board Member and Transportation Committee Chair of American Council of Engineering Companies – North Carolina
 - Meetings Chair of Regional Transportation Alliance
 - Trustee of Professional Engineers of North Carolina Political Action Committee
 - Administrative Deacon at Zebulon Baptist Church
- What's different about me:**
- I am a native North Carolinian
 - I have spent my entire career in consulting
 - I thoroughly enjoy the business side of consulting, I know a little bit about a lot of things, but am not really an expert in any one area
 - I have previously owned my own land development firm, been a licensed pilot and scuba diver
- What I can offer to a Protégé:**
- The perspective of someone who is in the middle of their career and someone whose career has quickly moved from a technical to a business focus
 - An understanding of how many various pieces need to come together to move a transportation project from idea to reality
 - A deeper understanding of the business side of consulting, and what it means to build and lead a team
- I attribute my success to the following:**
- An amazing network of mentors who have helped and continue to help me along the way
 - Active participation in a variety of professional and civic organizations
 - Always being willing to take on any challenge
